

## The renewal of the contract for the MotoGP Japanese Grand Prix.

Today, at the venue of “Twin Ring Motegi 2&4 Race” held at Twin Ring Motegi, Dorna Sports, S.L., the management organization of the MotoGP™ World Championship Series (CEO, Carmelo Ezpeleta) and Mobilityland Corp., the organizer of the Japanese GP of the MotoGP™ World Championship (President, Susumu Yamashita) announced that the renewal of the contract for holding the event from 2019 – 2023 has been concluded.

Since 1999, Twin Ring Motegi has been holding the MotoGP™ Japanese GP for 18 years consecutively and this year will be on 13-15 October.

Mr. Carmelo Ezpeleta CEO  
Dorna Sports, S.L.

“ We are very much delighted to make an announcement of renewing our contract at the place we celebrate 20th anniversary. Twin Ring Motegi is the home course of Honda and the GP of Japan is the home Grand Prix for the major manufacturers such as Yamaha and Suzuki who are the main player in MotoGP class. We can say the most important and the pinnacle championship. We will continue the event and make further effort together with Mobilityland to enhance the value of MotoGP series.”

Susumu Yamashita  
President  
Mobilityland Corp.

“This year represents a milestone of Twin Ring Motegi celebrates its 20th anniversary. It is our honor and we, as the organizer, are very pleased to be able to announce the renewal of the contract of the MotoGP Japanese GP on such a special occasion. We feel to host the Japanese GP is very important not just for the all the MotoGP fans coming to see the event but also it is valuable for all the manufactures involving the race. The environment that surrounds us remains severe, but we believe providing the stage stably would be sure to contribute the development of motorcycle sport culture. We sincerely appreciate Dorna Sports for their kind understanding on the importance of having the event in Japan and gave us the strong support for renewing the contract.”
